# WILLIAM<sup>(BILL)</sup> WALTER

Multidisciplinary Art Director / Graphic Designer  
[www.pixel-monkey.com](http://www.pixel-monkey.com)

I do what needs to be done. On time. Within budget. With a smile.

Providing my clients with effective and relevant design collateral has been the focus of my entire professional career. I have a proven track record of successful projects in print, web design, video and 3D animation. I am comfortable working alone or as part of a creative team, and can perform equally well in either a production or managerial role.

A much longer version of this résumé is available but it's about a thousand words - it's probably best to just look at the pictures here:
